# THE RISEUP ONLINE STRUCTURE

Use this document to understand how we will communicate and learn *TOGETHER!*  
Starting 08-24-2020 RiseUp will be starting the year remotely. Think of this as an opportunity to pioneer education in the digital world. Let's have fun together and *KEEP GROWING.*

## MAIN COMMUNITY CONNECTION APP

**ZOOM.US**

Using Zoom we can connect as a community. This is where we will host weekly gatherings, classes, meetings, and digital discussions. You will find the Zoom.us app loaded onto every Chromebook.

**BLOOMZ**

Each staff member has a BLOOMZ to connect with parents, guardians, and students. BLOOMZ is our alternative texting. Students, guardians, parents will receive important information and updates in message threads. Students can use BLOOMZ to contact their teacher instead of texting.

## MAIN TEACHING PLATFORMS

**GOOGLE CLASSROOM**

Each teacher has a Google Classroom code. This is where you will receive all your assignments, lessons, and activities. Other apps may be used inside Classroom.

Below are the apps that we will all use to be in contact with you and present lessons.

**BLOOMZ**

**SCHOOL EMAIL**
